

SAFETY MEMO

TO: ALL AAe STAFFS

DATE: 21/11/2024

REFERENCE: AAe/SMS/SM/18/2024

SUBJECT: RADIOGRAPHY TESTING (X-RAY) ON 9M-FYF AIRCRAFT AT HANGAR 77

INTRODUCTION:

Please be informed that EPIC Aero together with AIROD Aerospace Technology Sdn Bhd NDT team will carry out X-RAY job on 9M-FYF Aircraft at Hangar 77 on 23rd November 2024. Due to the potential radiation hazard, which poses risk to human health, all AAe staff are required to vacate the premises before the inspection begins. Your cooperation in ensuring a safe environment for this activity is greatly appreciated.

The details of the activity is as follows:

Activity: **RADIOGRAPHY TESTING (X-RAY) ON 9M-FYF AIRCRAFT**

Location: **Hangar 77**

Date: **23 November 2024 (Saturday)**

Time: **1800Hrs – 0200Hrs**

- **AAe NDT Team Co-ordinator – Mr. Yazid Yeop (019-2283882)**
- **Safety Executive On Standby – Mr. Johan Darbi (017-2652959)**

ACTION

1. Managers and Supervisors are kindly requested to remind the staff within their respective departments to vacate the premise during the specified operational hours mentioned above.
2. During the operation, the area will be cordoned off to prevent unauthorized access and ensure that no other individuals enter the facility.

This memo serves as guidance for all AAe Staff concerning radiation protection.

Thank you for your cooperation.

Note: If you have any queries regarding the X-Ray job, please contact the person in charge mentioned above.
