

SAFETY MEMO

TO: ALL AAe STAFFS

DATE: 04/04/2024

REFERENCE: AAe/SMS/SM/011/2024

SUBJECT: Vandalism of Safety Posters

INTRODUCTION:

It has come to our attention that there has been recent vandalism of safety posters within our workplace. This behavior not only undermines the importance of workplace safety but also reflects poorly on our collective commitment to maintaining a professional and respectful environment.

The safety posters serve as crucial reminders of best practices and procedures designed to keep us all safe while performing our duties. Vandalizing these posters not only damages property but also jeopardizes the safety of everyone in the workplace.

I urge all employees to uphold the integrity of our workplace and to report any instances of vandalism or suspicious behavior to management immediately. It is imperative that we work together to identify those responsible and take appropriate action to prevent future incidents.

Furthermore, I want to emphasize the significance of respecting company property and the efforts put forth to maintain a safe and productive work environment. Any act of vandalism will not be tolerated, and disciplinary action will be taken against individuals found responsible.

Let us reaffirm our commitment to workplace safety and mutual respect by preserving our safety posters and fostering an environment where all employees feel valued and protected.

Thank you for your attention to this matter.
